**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

It is critically important that you not allow continued abuse of the commons by AT&T and other monopolistic concerns.

I have observed a direct relation between broadband capacity and the financial performance of my small business for the past 17 years.

Please consider this issue as of absolute importance for the future of our country.

Thank you.
